Style follow Skinable Galvanic

- ▶ It vibrates 30,000 times per second
- ▶ Eliminate skin keratin and waste without irritating the skin
- ▶ Absorbs the nutritional ingredients of cosmetics deeply and gives skin elasticity

Hypoallergenic skin care

- ▶ A product that shows natural skin improvement without irritation to sensitive skin

Designed for comfort

- ▶ White tone representing pure and clean image
- ▶ Simple design makes it easy to carry anywhere
- ▶ Usable design with one hand

Beginning of Better Beauty Life

- ▶ Affordable, high-quality self-cleaning skin care device

1. Multi-device with triple care.

- ▶ Home aesthetics peeling care at home.
Style Follow-up Skin Able Galvanic allows you to manage your peeling in the beauty shop at home comfortably and simply.
- ▶ Skin nutrition using anion, calm care.
The anion mode helps absorb the active ingredients of basic cosmetics and evenly spreads to the skin to make your skin healthy and beautiful.
- ▶ Cation-based pores, skin elasticity care.
Cationic mode gives elasticity to wider pores and helps improve skin elasticity to help smooth skin.

2. Grips fit comfortably in one hand.

Because it is a beauty device that you use for yourself, we made the hand part into a curved shape, so that you can feel comfortable when you grab. Also, the light weight of 99g and the minimal size makes it comfortable to carry.

3. 24K pure gold blade safe for skin.

It has quicker absorption effect than the general blade material, and it can be used without worrying about metal allergy even for sensitive skin.

4. Accurate quality implementation.

It is a reliable quality product with various certificates.
